

“ I just wanted to say thank you so much to you, to Piera and the team for organising for us the most fabulous night. It was just perfect, and we had the best time. You were all incredibly professional and accommodating, and we really appreciate that! The service your staff provided us was just second to none.

“ I attended the food for thought event last Tuesday and thoroughly enjoyed the night – my only complaint is it wasn't long enough!! It was a great combination of a topical topic handled through art and discussion. The food was also excellent.

I would very much like to see more of this type of event included in the art gallery agenda.

Many thanks,
Heather Oswald

“ To the amazing team at Mission
A big warm, hearty thank you from us to you for the most wonderful wedding we could have wished for. The night was a roaring success thanks to all your hard work, your gracious hospitality and beautiful food. We simply could not have asked for more - we had such an amazing time and we thank you from the bottom of our hearts.

“ Thank you so much for a truly wonderful evening. We did have the most fantastic time - a perfect start for our future!!

The food was beautiful, the excellent wine flowed and so many of our guests commented on what a great venue it was. I think you will have many of them popping in for bite to eat very soon. Thank you all again so much for an excellent evening.

Cheers and thanks

“ Hi Nicky and Piera,
Congratulations on your well deserved review in the SMH 2010 Good Food Guide. We are the lucky recipients of delicious food, a stylish and welcoming venue and interesting art exhibitions. We have been in the Chippendale area for 20 years and now at last we have a 'local'.

“ Thank you so much for organizing such a wonderful day for us last Tuesday. We all loved Rex Dupain & Eric Lobbecke. The visit to the Fraser Complex was an 'eye opener' to the Sydney art world. Our lunch was wonderful value. I look forward to my next visit to your gallery.

“ The dinner you arranged for Slow Food was truly wonderful and one of the most delicious I have had in Sydney in flavour and simplicity. We all appreciated the beautiful care and thought of the arrangement. It was truly appreciated. We will include a piece in our upcoming newsletter on Mission Café and I know our members will be equally impressed.

Thank you so much,

“ A huge thank you for last night. The function went so smoothly, and the service was great. Almost every person I spoke to mentioned what a lovely, unique spot it was.

Thanks again,

“ Just wanted to say thanks to you and Piera for a really enjoyable workshop with Bernard Ollis the other night. It really was great fun, great food, great company and Bernard was perfect. Alison and I are looking forward to being there again for Wendy Sharpe's workshop in the near future.

“ Just to say I very much enjoyed the workshop with Lucy Culliton last night. She's lovely, informal teacher, very encouraging, and it was a beautiful space to have it in. Dinner and wine after the workshop was a hedonist's delight (and we'd earned it!)

Best wishes,
Tricia Dearborn

“ Thanks you so much for the wonderful evening, truly a feast. Beautifully organised and catered with exciting musicians and a relaxed and moving conversation with two great artists. I'll certainly be interested in future gatherings.
Best wishes,

“ A great night last night, thanks to so much effort by you, Piera, the artists, speakers and many others. The artists' works and the insights they offered, thoughtful discussion, a very enjoyable meal and lively and informed conversation in a great (and warm) environment - who could ask for anything more.

“ I just wanted to congratulate you and Piera (and all of your other hard working staff) on your fantastic workshops and feasts. I thoroughly enjoyed the experience, and learnt a lot in the process. I'm not sure what it will do to my painting, but it will be exciting to see what emerges!

I can't wait for the next set and look forward to being a regular at upcoming exciting events.

You and Piera are running a truly exceptional show at NG and I'm sure the future will be bright.

Thank you so much,

“ Nicky & crew,
I can't thank you enough for the wonderful launch yesterday afternoon. It was perfect. Better than I dared to hope. The crowd was delighted, many commenting on the beautiful space & classy venue. I can't wait to sell another book & have another NG launch!

Thank you so much for your help. I owe you a copy of the book — though alas, I need to get more copies from the publisher (we ran short!). I'll bring you a copy when I next come for breakfast.

I'm so chuffed to have had such a successful launch in my favourite Chippendale space.

“ Thanks for all your help and also to Piera and the rest of the staff. They were all great and very helpful and everyone had a wonderful and fun night. Great venue for parties and the whole night was a fantastic success. Thanks again.

“ A very big thankyou to you all for hosting a truly memorable evening. The meal was delicious and the company superb. It is wonderful to see how the arts can assist the community in such a positive and fulfilling way - most inspiring.

“ Firstly, I enjoyed meeting you and let me say how delighted Jan and I were to come to your restaurant and galley for the first time. And how we appreciated Graeme Armstrong and Susie to take us there. You have a treasure and I really don't know why we have not known or been to your gallery before - but we will back.

Since being there I have to say that I have spoken to so many people about our enjoyment. Without carrying on, I felt with the pate that I was in France again and the souffle chocolat was unbelievable!

We not only look forward to returning to the restaurant but also to see some your exhibitions, of which you have sent some details.
